

Mark your calendars for the next Day of Ukeness! It will be Sunday, September 22nd at the Waubesa Beach Community Center (4372 3rd St. Madison, right across the street from Christy's Landing) from noon until 5:00. It will also be a pot luck, so if you'd like to join in that, please bring a dish to pass. We'll have an open mic as well for anyone who might be interested. You can bring whatever you'd like to drink. Chairs will be provided. Please feel free to bring some songs to share, but bring about 15 copies of each. If you have a Pontoon Songbook, or last year's Day of Ukeness songbook, please bring them both! We'll be outside under the shelter, but if it rains we can move it inside. Can't wait! Please pass the word!
