

Ukulele Beginner Class

Sun Prairie

Learn to play the ukulele in 6 sessions. Most people learn ukulele because strumming and singing with others makes them happy. This class prioritizes enjoyment and community above skill. No musical experience is required.

We will cover basics such as tuning, strumming, and forming chord shapes to play songs. You will not need to read music notation. Songs will be familiar, fun and easy to play.

DAY & TIME: Mondays, 1:00 - 2:30 pm

LOCATION: [Talamore Senior Living](#), 275 North City Station Drive, Sun Prairie
